

DIGITAL DELIVERS MORE CUSTOMER - REVENUE - BUSINESS

Your Multi-Tenant Panel can bring SO MUCH MORE

The University of Cincinnati Economic Center released a study showing the economic value of an EMC. Having an LED Display will:

- Increase total transactions
- Increase destination transactions (sales from people already planning on visiting the store)
- Increase impulse transactions resulting in overall increases in sales

AVERAGE ROI (Return On Investment) with dynamic digital content is 20%+

Go beyond a tenant panel. Showcase your goods, services, and unique selling points. Bring more people in the door and grow your business and brand in the community.
